Month-By-Month Gardening In Indiana

Synopsis

The Month-By-Month series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year. Written by authors in your state, the information is tailored to the issues that affect your garden the most. When is the best time to plant trees and shrubs? Should I fertilize my lawn now? Is it time to prune my roses? What should I be doing in my garden this month? You'll find the answers to these questions and much more inside. This easy-to-use book highlights each of the ten major plant categories using a monthly format. It guides you through each month of the year, telling you exactly what your garden needs. It is like having an expert in the garden with you all year long. Valuable hints are located throughout the book, and beautiful photographs will inspire you. Written just for gardeners where you live, you can be confident that the information is right for you-and your garden will show it.

Customer Reviews

This is an excellent reference book for the enthusiastic gardener - full of good advice of a practical nature, and has replaced the stack of clippings that we used to accumulate. We have purchased several of these as gifts for people in various states, and everyone seems to be pleased with them.

This is a wonderful. Not only does it give you info on every month of the year, but you also have planting tips, what to plant, when to plant & an overall review of every month in Indiana gardening. I had one of these books for Texas when we lived there and it was great.

This book has good info but is SO darn irritating to use. So it's April and I want to know what I should be thinking about with my gardening. I have to turn to 10 (TEN!!!) different places in this book to see that. For each different type of plant (bulbs, annuals, perennials, shrubs,etc) there is a different chapter. Doesn't it make WAY more sense to organize by the month so I don't have to spend lots of time stumbling around in the book and more time actually gardening. Very annoying. Think I'll go pull some weeds.
