Vertical Brick Oven: Almost The Same As The Tandoor Oven Only Which Is Made Of Bricks

Synopsis

Make a Tandoor Clay Oven is not so easy job, it takes a lot of patience and knowledge to work with clay. With this book I want to share my years of experience, and show that it is possible to make high-quality Tandoor Oven from simpler materials such as bricks and cement. And the oven is movable, you can move anywhere you want without fear of breakage. The whole course of preparing and making is described in detail and supported with pictures. Enjoy!
