Mini Knitted Charms (Twenty To Make)

Synopsis

Charms and dangles are popular fashion accessories, used to decorate purses, bags mobile phones, and so on. In this book, Sachiyo provides patterns for 20 different designs; all in her distinctive, cute and fun style. All the projects are really quick and easy to make; each one can be made in just 15 minutes! They are therefore great for passing the time on a journey or when you have a few minutes to spare, and are small enough to carry around in your handbag. They are great for using up scraps of yarn too, and they make ideal little gifts for family, friends and boy or girlfriends. There are ice cream cones, beach huts, strawberries and mushrooms, as well as love hearts, owls, cat and mouse, and stars, to name a few. There are lots of different charms to choose from and you can choose your own colors to make them your own. These charming dangles are great fun to make and cute little gifts to give. Knit one, pop it on a charm strap; or even a suction cap to dangle in your car; and use!
