Introduction To Fire Protection

Synopsis

Now in a striking four-color format, Introduction To Fire Protection, 4E reflects the latest FESHE outlines and NFPA fire codes and ordinances as it provides all the necessary tools for individuals seeking a career in the fire service. Written by a widely respected firefighter instructor and authority, this comprehensive resource emphasizes the vital skills needed by successful firefighters. It includes up-to-the-minute coverage of incident effectiveness, customer service, physical fitness, training, and fire prevention. It also covers such cutting-edge issues as homeland security, goal setting, life safety initiatives, recent laws affecting firefighters, fire fighter emergency decision making, and other developments straight from the field.

Customer Reviews

I had to get this book for my online Fire Protection class. I was able to rent the book for a much better price. The book was a lot of help. An easy read and helps understand to find answers that you need to do for homework. I can honestly say if not for this book, I would have failed the class. That is how much the book is. So if you need to get this book then get it from here! Especially if possible to get it for rent!

I enjoyed reading the text, they wrote it well. However, the Index and Glossary weren't great, and lots of things I tried to find were not there, and had to be found by page-flipping (aghh!). Not usually the case, in my experience. Also, waaayyy too many chapter review questions. Yikes. It was a

decent overview of the fire service, though. I found it interesting.

As reported by student it was bought for:Bought for a class, but unlike some required texts, it was worth buying. Good information in an interesting way. Would recommend to those interested in the field of firefighting.

Overall dry material & very hard to follow & find reference material. Book was required for a course I was taking. I would not recommend this book unless you have too .

Needed this book for my Fire Tech class and it was 160\$ in the school book store! This was a great deal! Excellent buy! Great quality

GREAT PRODUCT AND BEST SELLER WOULD BUY FROM THIS SELLER EVERY TIME I
RECOMMEND THIS PRODUCT TO EVER ONE FROM THIS SELLER

good conditions! great price!!!! i seved a lot of money insted of buying it new at my college book store!
