## Synopsis

Looking through your pantry and fridge but can't find anything interesting to eat? Entertaining guests with nothing fancy to serve? Bored with eating the same old kind of sandwich day after day? Want to add something healthy to your daily diet but not sure how? Well, your troubles are over because this cookbook is just for you! It will guide you through 201 special recipes for sandwich spreads that you will surely use every day - easy, healthy food served on bread and far beyond. This compilation of special recipes has been developed, collected, tried out and modified to perfection over years of joyful cooking. The author of this Cookbook has a vast track record in the kitchen both as professional chef de cuisine, as well as renowned Sandwich Spreads Enthusiast. - - - As an adolescent, serving quick sandwich meals in my parents' dinner, I remember always thinking: how can I make these daily meals more interesting? How can I make our regular customers get something new every time they stop by? Well, I just had to keep inventing and reinventing new and exciting sandwich spreads and have continued to do so ever since. - - - L. Solomon, Cook, Cookbook Author, Member of the IACP - International Association of Culinary Professionals. A lot of work had been put into this book in order to make your experience with it not only educating but also fun, simple and easy. A food processor will make your life a lot easier, but other than that all you really need (aside from this book) is a fresh slice of bread and a butter knife. - - - I can't believe I was able to make such a treat from scratch with what little I had in my fridge! - - - and - - - This amazing health snack only took me 5 minutes to prepare with no mess in the kitchen and no pile of dirty dishes in the sink! - - - are two of the most common responses we get from readers of this cookbook. Get ready to surprise yourself with the results of your cooking and mixing! Get ready to surprise your guests with unpredictable refreshments - spreads that are not only original, but also and most importantly - delicious! Discover how to easily prepare delicacies that do not only stand for special occasions but first and foremost will serve you and your family for everyday use. Let this cookbook help minimize your use of commercial sandwich spreads, dips and sauces. You will learn how to make them better, cheaper, healthier and you will learn how to make them exactly the way you like. Join us in this journey into a realm of creativity and ingenuity and bring excitement and novelty into the everyday food that you and your family share. ## Customer Reviews

Author chef L. Solomon is apparently known as a renowned sandwich enthusiast in addition to being a fine chef of other aspects of the 'food chain'. Whether the author is male or female is not shared, but that really is inconsequential information when the quality of the recipes in this surprising collection is tried and enjoyed. Or as the author states, 'Take this chance to broaden your horizon and explore both what you believe to have known and what you have yet to come across. Allow these recipes to tickle your curiosity as well as your taste buds while trying out each one of them. Adopt the recipes you really like and allow some of the others to grow on you. Use this book's diversity to personalize the spreads you consume and call them your own.
