Hungary: Its Fine Wines And Winemakers

Synopsis

The past and present of one of Europe's greatest and most mysterious vinelands is laid bare in this lavishly photographed and engagingly written homage to Hungarian wine and winemaking. With maps and listings of all Hungarian wine regions, grape varieties in use, and producers and their products.

Customer Reviews

David Copp's HUNGARY: ITS FINE WINES AND WINEMAKERS is a 'must' for any serious wine library, especially as very few books on the topic explore Hungarian wine history in depth. Chapters pair full-page color photos with details on Hungarian wine makers and regional production and grapes, reviewing Hungarian history with an eye to revealing its major producers, the evolution of the industry as a whole, and its development in perspective of overall Eastern European history.
