Bloomin' Lovely: How To Grow Roses From Seeds And Cuttings

Synopsis

Do you already have a beautiful garden but it needs the depth and beauty of some roses? Or do you want to start the garden of your dreams with some easy-to-grow roses which produce lovely blossoms year on year? If you answered yes to either of these questions, then this book is for you. It will provide you with advice on the very basic varieties of roses to the more in-depth knowledge of pH balances and how to deal with unwanted pests. Growing roses is easy when you know how – this book aims to help you do just that.

Chapters Include:

- Choosing the Type of Rose to Grow
- How to Grow Roses from Seed
- How to Grow Roses from Cuttings
- Select the Best Site for Growing Roses
- Prepare the Soil for Your Transplanted Roses
- When Do You Plant Your Roses Outside?
- Caring for Your Roses
- Seasonal Care
- Diseases and Pest Control

Customer Reviews

I liked that this book covered a variety of roses and how to care for them using terminology that a beginner rose grower can easily understand. Especially liked that it gave reasons why certain things need to be done instead of just saying to do something!

Good information and a very easy read. As a novice rose grower, the information is a good basic overview of growing roses.

Perfect for all types of growing roses

I have so much reading to catch up on and I did begin to read this and very excited to finish and see what surprises I find. So far**GREAT*
